## Bible Lesson Time at a Good News Club

These K-Grade Two children really are excited to attend this club every Wednesday!  
For some, this is their 'church'!

## Professions of Faith

These two boys recently asked Jesus to be their Personal Savior!  
One was counseled. One had privately decided and told Susan what he had done!

## Children's Worker Training

Recently, Randy was able to travel down to Grant County to conduct some training at a local church. A real delight was witnessing a wonderful attendance!

## Perspective by the Local Director

I have been thinking for sometime now about a tool that Satan has devised as a way to get to the dear and needy children. That tool is the After School Satanist Club. Currently, I have heard they are in ten public schools in our country. Sponsored by the Satanic Temple, their real goal is to attack the Good News Clubs. The reasoning is that if any given school district refuses their attempt to conduct this event, they will threaten the district with a law suit. They claim equal access, which is their right constitutionally. Some principals have caved into their threats. Therefore, some, even locally, have decided that the Good News Clubs cannot meet after school. Many parents are outraged by the Satanic Temple's attempts to enter their child's school. This tool is so very deceptive ("we do not teach about Satan.") they claim. Please let us know if you are aware of such a tool seeking inroads locally. Anyway, that is my perspective.

Thank you for loving the children too,

*Randy*

He is married to Jeni and they have a daughter named Miriam. We praise God for His clear and gracious provision! Erik will need to raise his financial support. ### **We Have a New President!**

Jeremiah Cho is the new President of Child Evangelism Fellowship®. He and his wife (Sarah) have faithfully served with CEF in Korea, Sri Lanka, and the Middle East since 1988. Eventually God reminded him about the spiritual situation of the children and used *Lamentations 2:18,19*.

...Lift your hands to Him, for the lives of your children, who faint for hunger at the head of every street.

### **A Word From the Bradley's**

We continue to be very much aware of God's grace, mercy, and loving kindness in our lives! Susan continues to deal with kidney stones while Randy recently had out patient surgery which was successful. Both of us are noticing that Randy's memory issues are getting more challenging. He is scheduled to undergo an extensive battery of tests on May 1, Lord willing.

### **Did You Know?**

SPAN™ stands for Sponsor-A-National. This program has provided financial assistance to trained nationals who live in areas where it is difficult to raise support, since 1972. This enables them to spend more time sharing the Good News about Jesus with the children. ([cefonline.com](http://cefonline.com))
