

About Child Evangelism Fellowship

Child Evangelism Fellowship is a Bible-centered organization composed of born-again believers whose purpose is to evangelize boys and girls with the Gospel of the Lord Jesus Christ and to disciple them in the Word of God and establish them in a local church for Christian living.

CEF has many different ministries for children, but the three primary ones are the Good News Club, the 5-Day Club and Christian Youth in Action (CYIA).

CEF started in 1937 in Chicago by J. Irvin Overholtzer. Since that time, God has called thousands of men and women to serve the Lord reaching children in most countries. Each US Chapter is run by a local committee and staff who help equip the Church with the training and tools to reach the children in their community.

Why Training?

There are a number of views related to this matter of training. Some common responses are:

- "Why do I need training to serve? I have been working with children for many years?"
 - I cannot make the training.
 - You should be glad that I want to serve. Isn't that enough?
- Training is only for those who teach the Bible or serve as the leader.

However

Even though it is commendable that one has served a certain number of years.

- ⇒ All workers need regular training. God can and will use you to sharpen your ability and ministry to the dear and needy boys and girls.
- ⇒ We can always 'do it better.' The God-pleasing attitude should be one needs to be a 'life-long learner.'
- ⇒ Most importantly, the Lord Jesus believed in the absolute need for training! He spent three years preparing His twelve students!

Local Church Importance

Child Evangelism Fellowship firmly believes in the local church, which is God's instrument in this Age of Grace!

We ask that the leadership assist us in promoting this wonderful means of reaching the dear and needy children in their area of ministry!

Perhaps each local church has the potential ability to 'adopt' a specific public school. CEF and that specific local church would provide certain resources. If God so leads, then that After-School Good News Club becomes that local churches' ministry. It is not the ministry of Child Evangelism Fellowship. We are here to support you as well as be your cheerleaders!
